

BESPOKE—HANDMADE—HANDPAINTED

INDIVIDUALLY MADE FOR YOU

At Reno Designs, we are a family, as such we treat our customers as family.

All of our furniture is made to order, each individual cabinet is tailored for you with your requirements in mind.

Combining over 20 years experience in cabinet making, our experts make sure to produce nothing but the best quality furniture.

Starting with the design of your cabinets, then the functionality including storage solutions, space awareness, taking into consideration all aspects of the room, we are able to create the ideal design catered directly for your personality.

We guarantee and promise whether you have a kitchen or wardrobe, the beautifully hand-crafted cabinetry will be something to be proud of!

Each cabinet is handmade at our very own Kent workshop situated in south east part of the UK. We build to your required size, no standard units, each unit can be adjusted to the millimeter in any direction—height, depth and width.

We use only premium FSC graded materials which are products that have been sourced responsibly from well-managed forests and/or recycling sources.

Materials

We only use solid hardwoods for a frames and doors, showing the natural grain of the wood after being painted—a feature that brings out the colour and complexity of any cabinetry.

As for our carcasses, we use a real Oak veneer MDF which is the highest quality when it comes to sturdiness and guaranteed to outlast other materials

Choose from a smooth finish paint job or a grain effect

Cabinetry Character

At Reno Designs, we offer different styles of cabinetry to suit you, whether you are looking for a traditional look or contemporary look, we can offer it all.

From our Pure Range to our Elite Range there is something that will suit any character of the house and family.

Our Pure Range consists of a sleek looking framed units with a shaker door design

Our Elite Range is suited best for those who want a more elegant but traditional design—designed with a bead running along the frame—one of our most popular options

We have a range of doors we are able to offer including—slab doors, pure shaker doors, beaded shaker doors, push to open, handleless cabinetry and many more

enquire today to create your dream cabinet!

Choosing a colour

Choosing a colour has never been easier—we are able to colour match our specialised cabinetry paint with any colour you would like—you can be brave with blues or elegant with greys.

All of our furniture is hand painted so you never need to change your kitchen ever again, want to change the colour? Just paint it. This allows you to keep updated with the evolving trends which can change the look of the room without having to spend a fortune replacing the cabinetry.

Pure Shaker

Our pure shaker represents a timeless classic that is loved by many with a versatile design, clean lines and balanced proportions. The ultimate seamless piece of furniture.

but what is shaker furniture?

“Shaker furniture is a distinctive style of furniture developed by the United Society of Believers in Christ's Second Appearing, commonly known as Shakers, a religious sect that had guiding principles of simplicity, utility and honesty. Their beliefs were reflected in the well-made furniture of minimalist designs”

Elite Shaker

At Reno Designs, we try and innovate, with this being said, we offer a selection of different designs that would suit your needs. Our Elite shaker offers a traditional style with intricate beading.

F functionality

We carefully plan your kitchen which is always made to suit your needs. We will design with functionality and practicality with inspirational storage designs for you to utilise the space you have as much as possible

From drawer inserts to glass holders above a kitchen sink—
we can make it all!

Bespoke Joinery

Not only do we do kitchens, bedrooms and vanity units, we are also able to provide you with bespoke joinery services

Don't be shy to ask!

Just because we might not have it on display does not mean we don't do it

White cabinetry with built-in appliances, including a microwave and a coffee maker. The cabinets feature a classic shaker-style design with black hardware.

Open shelving units above the counter, displaying decorative items like a wooden bird sculpture and a metal bowl.

White marble countertop with a large white farmhouse sink and a stainless steel faucet. A wooden bowl filled with lemons sits on the counter.

Two glass pendant lights hanging from the ceiling, providing illumination for the kitchen area.

View of the adjacent living area, showing a staircase with white railings and a white sofa.

Push to open doors

Bathrooms

We offer unique and stylish ways for you to make your bathroom look and feel as comfortable as possible allowing you to maximise storage capacity while holding on to the practicality.

Design

With a dedicated designer from Reno Designs, we are able to transform your dream into your reality.

Starting with a free consultation, we will explore your concepts and transform them into detailed drawings which will include a 3D rendering, plans, elevations and a tailored to you quotation for your beautiful furniture.

Once you entrust us, the designer will answer any and all questions and will be your main point of contact throughout the whole experience. We will help inspire your choices, add input and suggestions of how you can better your space and design. We will carry out multiple on site consultations to take measurements to make sure every millimeter in your space is accounted for so that you can fully utilise every aspect of the furniture.
